ENERGY STAR[®] ADVANCED PROGRAMMABLE THERMOSTAT QUALIFICATIONS

ELIGIBILITY CRITERIA

- Must be a member in good standing with the cooperative
- The thermostat must be ENERGY STAR[®] rated
- Rebates may be subject to cooperative load control programs. The participant agrees to allow the cooperative to control their heating and cooling equipment now or in the future.
- Limit of up to two (2) per member address/location
- Rebates are available for existing and new homes
- The rebate amount is limited to 50 percent (50%) of the total cost of the unit

DISCLAIMER

The cooperative is not responsible if your contractor, retailer, builder or other party provides you with inaccurate information about the amount or conditions of the actual rebate. The cooperative will not rebate equipment that has been mislabeled, misrepresented or previously owned. The cooperative reserves the right to inspect the equipment and its installation at the address indicated on the front of this application. The cooperative is not responsible for any lost, late, stolen, ineligible, misdirected or postage due mail. All completed applications will become the property of the cooperative. Rebate qualifications and amounts are subject to change at the cooperative's discretion and the program may end at any time without notice.
